

Health Canada Application and Notification Form for Exceptional Release of Disinfectant Products

Due to the unprecedented demand and urgent need for hard surface disinfectants during the COVID-19 pandemic, Health Canada has implemented an interim measure to expedite access to supplies of some products that may not fully meet regulatory requirements under the *Food and Drugs Act*. Persons requesting to undertake exceptional release of disinfectants are required to complete this form. Please submit the completed form to hc.covid19healthproducts-produitsdesante.sc@canada.ca. For additional information, please visit: [Interim Measure](#).

Note: Any product associated with false or misleading claims or found to pose a risk to health is subject to [enforcement](#) action by Health Canada, including refusing shipments at the border and product seizures.
